## Safeguarding Statement June 2024

Stoke Climsland Parish Council is committed to safeguarding the wellbeing of children, young people and vulnerable adults and to ensuring that they are protected and kept safe from physical, sexual, and emotional harm and neglect while they are engaged in any activity associated with the Council.

This responsibility applies to all Council employees and Members; it also applies to contractors, partners and volunteers who carry out work on behalf of the Council with (or for) children, young people and adults at risk.

In order to promote a safe environment, the Council is committed to fostering a safeguarding culture in all its activities and through its recruitment practices. To achieve this, the Council will:

- Provide safe facilities and undertake regular safety assessments.
- Ensure that employees and Councillors are aware of the safeguarding expectations.
- Ensure that candidates applying for jobs are made aware of the Council's commitment to safeguarding and are expected to support this commitment if appointed.
- Ensure any leaders of workshops run by the Council (where children, young people or adults who may be at risk are involved) are enhanced DBS checked.

Employees, Councillors and volunteers all have a duty to protect children, young people and vulnerable adults but are not responsible for deciding whether abuse is taking place. If they have concerns, these should be passed directly to the Multi-Agency Referral Unit (MARU) at Cornwall Council. The Clerk will supply the contact details if you have difficulty finding them.

Persons applying for a position with the Council are expected to support the safeguarding policy and principles of the Council.
